

Production Roles

NAME: _____

On completion of this Unit the student should be able to demonstrate specific production skills within collaborative media productions and explain and reflect on the media production process.

When you undertake your production you must maintain documentation that includes the three parts to the process:

- Pre-Production
- Production
- Post-Production

IDEAS FOR THE PRODUCTION INCLUDE

- Short Film
- Photographic Shoot – 10 original images
- Fashion Parade
- Magazine – 8 pages minimum
- Radio Segment – 5 minutes minimum
- Online Project – Blog, Game, Social Media Campaign
- Other

It is advised you work in a small group (no more than 3) or a pair for this production due to the length of the required tasks. However if you would rather work solo you can. Just work with the teacher to see what parts you can leave out.
