

PRINT PRODUCTION ASSESSMENT TASK

Your task is to create a Media print production.

CHOICES INCLUDE:

- **Billboard**
- **CD Cover**
- **DVD Cover**
- **Magazine Cover or advertisement**
- **Film Poster**

Be mindful of the Code & Conventions of print before starting your production.

- **Layout & Use of White Space**
- **Colour**
- **Images – Size & Position**
- **Text**
- **Font choice**
- **Composition**
- **Paper Stock**
- **Location & Distribution**
- **Quantity**

You must follow these steps in order to design your final project.

- Select a genre for your print production
- Research as many examples as you can
- Find a program that will help you design your final layout
- Plan the layout making sure you understand all the codes and conventions to print.
- You must take the images yourself. You can't cut and paste your images from the internet
- This is a solo task. You can not work in pairs or teams
