

YEAR 10 MEDIA – Print Publication Assessment Criteria

TASK	VERY HIGH 5	HIGH 4	MEDIUM 3	LOW 2	VERY LOW 1
<p><b>Time Management:</b> All work was completed in a productive order that resulted in the final design and publication being published and submitted by the due date.</p>					
<p><b>Research:</b> The student took the time to plan and research their idea and genre before making a final decision on what to complete for their project.</p>					
<p><b>Visual Representation:</b> The design elements were executed with creativity and visually pleasing conventions. Layout and use of white space was effectively considered. Composition was considered. Images were selected carefully.</p>					
<p><b>Codes and Conventions in Print:</b> All codes and conventions of print were met. Typography was aligned with the genre of the product. The colour pallets matched the expectation of the audience.</p>
